

DISCOVER OUR SECRET

Gorse Hill Caravan and Lodge Park is easy to get to from anywhere in the UK. Simply head for North Wales and join the A55 west. Exit at junction 18 and follow the signs for Conwy town. From the bridge you'll see Conwy Castle on the left and the harbour on the right. At the small roundabout, take the first left for the B5106, through the archway and on to the village of Gyffin. Continue through the village, then follow the road round to the left and up the hill. After half a mile or so you'll see the Gorse Hill sign on the left. We look forward to seeing you there.
